

WHY YOU SHOULD PARTNER WITH MOASBO AS A BUSINESS MEMBER

MoASBO members are school district leaders and key decision makers in selecting products and services for Missouri's schools.

Our members often wear many hats in their respective school districts, representing all aspects of school business management and operations including: accounting; finance; payroll; human resources; risk management; transportation; child nutrition; maintenance and operations; technology; purchasing; and facilities.

As a MoASBO business member, you choose which level you wish to invest in MoASBO. The benefits to business members are:

- Clearly defined benefits
- Level of support is determined on an annual basis
- Upper tiers, include multi-event visibility, thus reducing the need for multiple payments.

Experience the benefits of MoASBO's Business Members Partnership Program. Be part of Missouri's premier association dedicated to serving as the most valued resource for school business information.
